The air is cooler,
the season is Fall.

Soon **HALLOWEEN**
will come to all.

HOPE YOU ENJOY YOUR TREATS!

To keep the fun going in your community:

- Place the "We've Been Booed" sign on your door or visible in a window.
- Within two days, get two treats, make two copies of this instruction sheet and the "We've Been Booed" sheet or download at www.theschradergroup.com/boo
- Secretly deliver the treats to two neighbors/friends who haven't been "Booed" and see how far it spreads through your community by Halloween.
